

PRAYER

As an enclosed and international contemplative community, we gather seven times a day in the name of the whole Church, offering to God a sacrifice of praise and interceding for the needs of humanity. The Eucharist is the source of our communion with Jesus Christ and with each other.

Thousands of people join us each week in our liturgical prayer via our webcam, making of us all one united Redemptorist family.

WORK

Through our work we support the community, care for the environment and have something to share with the poor. We earn our living chiefly from the production of Eucharistic breads.

We make candles for baptism, holy communion, confirmation, weddings and other occasions.

We write Icons on commission and as a means of exploring the mysteries of our faith in silence and contemplation.

JOURNEY INTO GOD

WWW.REDNUNS.COM

A New Beginning

Candidates who join the monastery are given space to explore the mystery of who they are, who Christ is, and to seek the answers to the questions of life.

All members of the community seek to live in love of God and each other, in acceptance and support, in sharing and caring for all of creation.

Our Monastery

Our monastery is in the heart of Dublin and plays a pivotal role in the local community life of the area. Local people join us for the daily celebration of the Eucharist, Adoration and Evening Prayer.

People come aside into a peaceful oasis away from the busyness of life for days of silent retreat in our self-catering retreat facility attached to the monastery and chapel.

We welcome Christian groups to our faith centre and provide space and a beautiful ambience for faith development.
